Ashley,  
Hey. I don't think Josh is lying but I don't think Rachael  
is either. I think that there is a mistake or something But  
I know Josh didn't cheat on you. Josh dosen't cheat on  
girls. So don't worry...

Rebecca,

Hey What's up. Nothing over here. I am in History and it is so boring because we are just sitting here and not doing nothing. I don't know if I should believe Josh or Racheal anymore. Do you think I should. Josh I know Racheal lies but I had to ask you know. I am started to like more then before. I work on Sunday at 3-6 but ya. I was so tired. but yah I have a speech in English today. That sucks. Well G2G

Love,

Ashley

Ashley,

Hey how was your weekend? Mine was fine. As you know I got my hair dyed. Do you like it? I don't think anybody else is going to like it. My parents didn't, I don't think. I just got a new CD. It's 3 Doors Down. Do you like them? I like "Let me go" and "Be Somebody". I'm kind of mad at Josh because if how he is to you and Tyler, I can't stand it sometimes. But yea I am still going to ask Ryan if he likes you. I know he does. So you might want to decide what your would say if he asks you out! So what would you say if he asked you out? I hope you say yes, but it's not up to me. But do you think I should dump Josh? Do you think he's a good boyfriend, or even a good friend. Sometimes I don't know. Anyway how is Felix? But I better get going.

Love Always,

Rebecca

P.S. LULAS (Love U Like A Sister)

I love Josh

You Love ~~Felix~~ Ryan (lol) I hope.

Rebecca,

Hey! U do like Ryan, but I am just scared and I don't know I am scared. I like your new type. I would say yes, but he doesn't like him. I just don't want t him to be just like Josh, or Jake. Because Jake cheated on me and Josh flirts with your best friends. I don't want everything mean to happen. I don't know if I love him, but I like him little. Everyone thinks I should go out Ryan.

I Love ?

You Love Josh

Ashley

P.S. Ryan likes some one already

Ashley,

But I am all alone. I wish Tyler was still in class. But yea I know what you mean Travis is such an asshole...

Rebecca,

Hey what's up. Nothing much here. I am so bored. I am playing cards with friends. It was so much funny at lunch. I am so bored in study hall, but ya I am so happy that Travis is mad at us because he is an ass. Courtney is a slut. I hate her so much.

Love,

Ashley

Ashley,

Hey. I guess I'm OK except for the cuts on my arm. But I guess that's my fault. My heart's a little broken. I'm Soooo Stupid. I just don't get myself anymore. But yea. How are you? So what do I do about what I told you in the hall? Yea it really happened I can't beleive it but it happened. I better get going.

Love Always,

Rebecca

Rebecca,

Screw Ryan, but whatever. Today I am going to Felix's house after school. but pass four days he been being mean to me. If I am not fun at lunch that mean I am depress. Please don't be mad at me okay because I did it yesterday when I was home. Well G2G

Rebecca,

Hey I really do miss Josh. I am really like him. Please don't tell him I was crying please don't do that. Then I will be so embarrassed. Just don't think about it so much. I am in so much today. he give me a note and it said "are you using me to make Felix Jealous or do you really like me this time" Well G2G

U Love Everyone

I love Josh

Ashley,

OK, it really hurts that you and Josh are dating. I still really care about him. But we are over so I guess I have no right to be mad at you about that. However I have a lot of other reasons to be mad at you like turning me in for my cutting and for lying about it and making me think that Gina turned me in. I don't know if I can get past it. So until I can I'm leaving the table, I'm not going to sit there and watch Josh be all over you. So me and Travis are going to sit outside. But I have to say DO NOT break his heart no matter how much I hate him I still care about him and I want him to be happy so if you think there's a chance you are going to hurt him. End it now. I can't help wondering what Felix has to say about this, but yea sorry if it seems like I'm yelling at you. But you have to know how I feel. I don't know if we are going to be as close as we were. For a while at least, but I guess we just can deal with that when the time comes. But I G2G.

Love Always,

Rebecca

Dear Ashley,

Hey, sorry if I scared you when I called you after talking to Josh. But yea, he called me back. We talked for 2 hours. I was really weird. We just kind of argued the whole time. But it was fun, and scary at the same time. I can't believe he called me back. I G2G  
Bye

Rebecca,

Hey what's up. I don't know what to do about two guys I like. I can't go out with Jake because he cheated on me. I don't think Josh would go out with me again because I hurt him a lot. But I don't want to hurt you. Well G2G.

Ashley

Ashley,

Hey Was-up N2M here. I didn't hang out with you guys today because I had to study for a History makeup test. It had nothing to do with you or Josh. But I have to do a lot more so I probably won't be around much, I have just been putting off work so now I have to catch up. But don't worry I'm gonna be done soon. Jake is moving soon so we won't have to deal with him much anymore. So yea. don't worry about him So is Chelsie still being mean to Amanda? Is Justine going to hurt Chelsie because of what she did? Well I almost feel bad for her. But yea. How R things going between you and Josh? U hope they R going well. I haven't seen my mom all week, I kind of miss her. But Yea. I G2G

Love Always,

Rebecca,

Hey what's up. nothing over here. I am in History. Fun fun fun!!!! What's was wrong this morning. Please tell me. Wasn't because of me and Josh. Please tell me. I am so sorry that I am hurting you. It is so funny because Chelsea likes Tyler on the Rocket report and she doesn't have a chance with him. I won't hurt Josh. OK. I have ti take it slower. Chelsea thinks Jake still likes me. Duh. I think the whole school knows that he like me. Well G2G.

Ashley

Ashley,

Ashley,

Hey wuz-up. I hope you don't hurt him. But yea. I  
don't really have anything to talk to Travis about. Just  
something about him I want to talk to him about. I can't  
really say. I really don't have much to say. Nothing is
